Medical and Public Health Schemes

* 795 *Q.*—SRI K. SATTANATHA KARAYALAR: Will the Hon. the Minister for Revenue be pleased to state—

(*a*) the nature of assistance given to the Central Health Service Schemes functioning in our State; and

(*b*) the diseases that are surveyed in our State under the Pilot Survey Project?

THE HON. SRI M. A. MANICKAVELU: (*a*) Assistance is received in the shape of cash subsidies, materials and/or equipment for the several schemes of the Medical and Public Health Departments.

(*b*) Yaws, Guinea worm and Smallpox.

SRI N. K. PALANISAMI: Sir, whether any survey has been conducted regarding the large prevalence of dysentery and typhoid particularly in the City of Madras and may I know whether the Government were able to find any such cases?

THE HON. SRI M. A. MANICKAVELU: This is a different question. The original question asked for is about the assistance received from the Centre for the various schemes. If the hon. Member Sri N. K. Palanisami puts a separate question I will answer.
